Vice President's Report

We would like to extend a warm welcome to our "newest" neighbor:

Michael and Chikage Ozika, 23210 Gilbar. They have two children: son, Shota (2), and daughter, Miya (4). They moved here from Warren.

Heartfelt condolences are extended to the families of our neighbors on the passing of their loved ones:

- Sue Harrington's mother, Helen Olga Golem
- Mary Forrester's son, Donald Curt Wells
- Tom Herc's father, Walter A Herc

In Memoriam:

Will Pilch, (23050 Balcombe) beloved husband of *Jennie* for 58 years, passed away on February 6th. A memorial service has already been held. Mr. Pilch served as a US Marine during WWII. He was a history teacher and counselor in the Southfield Schools for over 45 years. Will was a hobbyist; he enjoyed traveling, politics, all things Disney-related and gardening. He loved sports and was an avid Detroit Tiger fan. Please keep his family in your thoughts and prayers.

Email addresses: The Board occasionally emails updates to the subdivision -- but only to the email

addresses that we have. If you did not get any Board notices in the last two months, please send your email address to: lkocan@twmi.rr.com.

Garbage pick-up - Earlier this year, Advanced Disposal acquired Hornback Recycling and Disposal. The phone number is unchanged: 734-662-9361. We were told that our subdivision schedule of Thursday pickup will remain the same--at least for the first 90 days. The two Friday garbage pickups were due to the extremely cold weather and excessive snowfall. For more information, you can visit their website at:

Architecture's Report

Please remember that you need Board approval when changing the façade of your house, adding on to your house, or adding a pool, among other things. (The City of Novi will not sign off on plans without Board approval.) Any changes made without Board approval, or against the subdivision by-laws may be forced to be taken down. To avoid any potential issues if you are considering an external project and have questions, please contact

Civics' Report

Farmington Hills police has had some larcenies from vehicles not far from our borders. Most appear to items taken from inside of vehicles. Some were wheels and radios taken from high-end GM vehicles. Please bring valuables inside and the use of wheel locks could be beneficial

Just a reminder during snow emergencies, vehicles must be removed from public roads to allow snow plows to pass. To ensure your child's safety, please don't make snow forts by the driveway. Instead it's much safer to shovel the snow between the sidewalk and house. It's more work, but much safer when they make their snow forts and helps greatly with visibility for backing out of your driveway.

Plows sometimes hit mailboxes and the drivers are unaware that they accidentally knocked them over. If this happens please call the Department of Works directly.

Social's Report

Santa-in-the-Park was another success! Santa arrived by fire truck to the park and handed out presents to all of the children in attendance. Neighbors came together to enjoy hot chocolate, coffee and donuts. We had a great turnout to start the Christmas season.

Plan to save the date; Saturday, March 28th at 10 AM for the annual Easter Egg hunt in the park. The children will be divided into 2 separate groups; very young and older, to search for the eggs. Please have your children bring their baskets. The Easter bunny will be there too!

EASTER EGG HUNT IN THE PARK
Saturday, March 28, 2015
10:00 am

Our subdivision garage sale is scheduled for **Friday, May 1st and Saturday, May 2nd, 2015**. Please feel free to get all of your items together and participate. We will be hoping for sunshine and warm weather!!!
